Dear Chairman Mendelson:

Enclosed for consideration and approval by the Council of the District of Columbia is a proposed resolution entitled the “Green Building Act Transition Provision Amendment Approval Resolution of 2013.”

The proposed resolution would approve emergency and proposed rules that were issued on September 9, 2013, and that would establish transition provisions for residential projects subject to Construction Codes regulations adopted pursuant to the Green Building Act. These provisions would apply to privately-financed hotels and motels that were under development prior to August 2, 2013, when a revision to the Green Building Act regulations was published in the D.C. Register (60 DCR 11287) which revised the definition of “residential” for purposes of the Green Building Act and implementing regulations to exclude Group R-1 occupancies, which use group includes hotels and motels.

If you have any questions on this matter, please contact Nicholas Majett, Director, Department of Consumer and Regulatory Affairs, at (202) 442-8935.

Sincerely,
