Amending:

Sec. 2, Page 1, Lines 29 &34

- The lead-in language is designated as subsection (a).
- A new subsection (b) is added to read as follows:

“(b) Upon request from an applicant or enrollee who is hospitalized, disabled, elderly, or caring for a household member who is hospitalized, disabled, or elderly, the Mayor shall exempt the applicant or enrollee from the face-to-face interview requirement if the applicant or enrollee is unable to complete a face-to-face interview.”.

Rationale:

The purpose of this amendment is to exempt individuals from the face-to-face interview requirement who are hospitalized, disabled, elderly, or caring for a household member who is hospitalized, disabled, or elderly. These individuals are disproportionately more likely to face barriers of enrollment in the DC Healthcare Alliance program.
