TYPE: Amendment #4

REQUESTED BY: Councilmember Vincent Gray

Conclusion

The amendment does not have a negative impact on the District's fiscal year 2019 budget or the four-year financial plan.

Background

This amendment would add a new subtitle to the "Fiscal Year 2019 Budget Support Act of 2018" entitled the "D.C. Healthcare Alliance Re-Enrollment Without Fear Act of 2018." This subtitle would amend the D.C. Official Code § 47-362 to prevent the Department of Healthcare Finance from reprogramming local funds during Fiscal Year 2019 unless approved by Council through a resolution. The subsection would sunset when the D.C. Register publishes a declaration that funds are sufficient within the budget and financial plan to fully implement the "D.C. Healthcare Alliance Re-Enrollment Reform Amendment Act of 2017."¹

Impact on Revenues

The proposed amendment would not impact the District's revenues in fiscal year 2019 or over the four-year financial plan.

Impact on Spending

The proposed amendment would impact the District's spending in fiscal year 2019 and over the four-year financial plan.

MEMORANDUM

TO: Councilmember Vincent C. Gray

FROM: John Hoellen, Acting General Counsel 

DATE: June 25, 2018

RE: Legal sufficiency determination for an amendment to the Amendment in Nature of a Substitute to Bill 22-753, the Fiscal Year 2019 Budget Support Act of 2018

The measure is legally and technically sufficient for Council consideration.

This amendment would amend Title V of the Amendment in Nature of a Substitute to Bill 22-753, the Fiscal Year 2019 Budget Support Act of 2018, by adding a new subtitle amending section 47-362 of the District of Columbia Official Code to require Council approval—by resolution—of the reprogramming of local funds appropriated for the Department of Healthcare Finance in Fiscal Year 2019. This requirement would sunset on the inclusion of the fiscal effect of the D.C. Healthcare Alliance Re-Enrollment Reform Amendment Act of 2018, effective February 17, 2018 (D.C. Law 22-62; 65 DCR 2632), in an approved budget and financial plan.
